

PRIME MINISTER

Mr. Lampros Fountoulis,
Member of the European Parliament

Brussels

Budapest, September 14th 2018

Honorable Member of the European Parliament,

I would like to express my gratitude for your support during the vote on the report on the situation in Hungary, held at the European Parliament on the 12th of September.

I believe that the report is a verdict against Hungary and the Hungarian people. Not only it is based on political insinuations and factual errors, but it deploys double standards and as such it undermines the credibility and integrity of the European Parliament and the European institutions in general.

I appreciate the support you've shown towards national sovereignty and solidarity during the vote. I can assure you that regardless of the shameful attacks of pro-immigration forces, we will not give in to extortion. We will continue to fulfill our European obligations and defend the borders of Europe and Hungary, for the sake of our citizens.

I wish you good health and much success in your highly responsible duties.

Yours sincerely,
